**Twin Waters Resort
On Big St. Germain Lake**

Our beautiful 6 cabin resort on Big St. Germain Lake. Imagine yourself waking to the beautiful call of a loon. You get up to catch a glimpse of the magnificent sounding creature. As you open the door you see a family of deer dash into the woods. The pure smell of the forest air and sound of complete silence catches your attention. You decide to go to the end of the dock where a bench is positioned. You found it intriguing that it only took a 15 ft. walk to get to the dock from the cabin. As you sat on the bench at the end of the dock, staring out at the beauty of the lake, a massive shadow crosses the water. You look up and see the huge wing span of a Bald Eagle. The eagle soars over your head and lands on an outstretched tree, 500 ft. to the east. Just then a smile comes to your face as you realize you can wake up tomorrow and see it all again.
