

The Recycling Center is open to Town of St. Germain residents and property owners only. It is located at the end of Peddycourt Rd. off Highway 155. The facility maintains separate containers for the following recyclable materials:

- Clean brown cardboard with staples removed.
- Plastics, tin cans, clear and colored glass and aluminum.
- Paper separated as follows - newspaper, shiny papers (ads, magazines), and office paper.
- Household garbage disposed within town garbage bag purchased on site.
- Waste/drain oil - must not be mixed with other substances
- Antifreeze

No toxic chemicals or similar waste is accepted. Construction materials, brush, appliances and similar waste must be taken to the Vilas County waste facility located on County Highway G.
